These area and inset maps have been simplified in the interests of ease of understanding. Not all roads are shown. The inset map below is more accurate.

Access by car is very difficult due to the local one-way system. The best way in is from Aldwych via Catherine St and Wellington St. The rear door in Exeter Street is best for deliveries and disabled access; it is normally locked.

On arrival, go to Reception who will help you take the lift to the first floor.
