

We would like to invite your organisation to join our network and to link in with your local community partner. This is only available to voluntary sector organisations and is completely free to join. In return all we require is feedback on how many individuals you have helped through this project and where appropriate relevant case studies.

By being a part of the project your organisation will receive equipment and support from both AbilityNet and your local community partner.

**Switched On  
Communities**

## Meeting the DDA

Under the Disability Discrimination Act you are required to make reasonable adjustments to your service to meet the needs of disabled users.

Being part of **Switched On Communities Sustaining Switched On Communities** will give you access to equipment and training that will help you meet your legal requirements that is considered as 'reasonable adjustments'

**“The key guard allows me to rest my hands while typing”**

## All partners will receive

### Equipment

A kit of assistive technology

### Staff development

Development opportunities for your staff (Access to training from AbilityNet)

### Loan bank

We will offer your organisation and your users access to a large bank of assistive technology

### Assessments

Help with assessing the needs of your disabled service users and staff

### Help and support

Both AbilityNet and your local community partner will be on hand to offer help and advice on any accessibility related matters throughout the project

## About SOC

**AbilityNet** are working with Community Partners in England, Scotland, Wales and Northern Ireland. The Community Partners will be linking with Voluntary and Community Organisations in each of the above regions to support accessibility in the Community. Each organisation that is linked to a Community Partner and becomes part of the project receive an accessibility kit and training.

If you are a Voluntary and Community organisation and interested in finding out more detail about this project we will highlight your interest to the relevant Community Partner for your region.
